| <ul style="list-style-type: none"><li>Coordinated logistics for major cultural events and led lighting setup during live performances</li><li>Recognized with the Impetus Award (Student Leader 2024/2025)</li></ul> |                                      |

## Skills

---

- **Data & Analytics:** Pandas, Python, NumPy, SQL, Data Cleaning, Exploratory Data Analysis, Data Visualization, Interactive Dashboards
- **Business Intelligence:** Power BI (Basic), Tableau (Basic), Streamlit, Plotly
- **Programming & Databases:** Java, MySQL, SQL, React
- **Tools & Methods:** Git/GitHub, Jira, Taiga, VS Code, Jupyter Notebooks, UML Diagrams(Class, Sequence, Activity, State), Agile/Scrum, Technical Documentation

**Soft skills:** Analytical Thinking, Data Storytelling, Leadership, Teamwork, Communication, Problem-Solving, Critical Thinking, Time Management, Initiative, Attention to Detail
